Company profile

PASSARGAD UNITED SEA is a leading freight services company offering solutions for all international logistics needs, including international multi-mode transportation with a combination of land, ocean and air, air/ocean consolidation services, storage, delivery and packing

We have exclusive agents around the world which allow us to provide good local market coverage in addition to our worldwide reliable agents who are also operating NVOCC Services that allow us to negotiate good competitive freight with major shipping lines.

Our NVOCC services have proven excellent service from EUROPE AND FAR EAST to CIS countries and Middle East where we have managed to secure good customer base which has helped us to be one of the leading shipping service providers in the country.

Our Shipping Agency Division is capable and equipped to handle Container / Bulk and Break Bulk vessels .

Our Policy

company policy :

PASSARGAD UNITED SEA

was established with the intention of providing first class service to meet customer requirements , as well as providing competitive rates. P.U.S Shipping is committed to providing a quality service which consistently & continuously meets the requirements of its customers whilst protecting assets under its care, its employees and the environment in general.

Vision

To be the most reliable and efficient Transport and Distribution Service provider offering a broad spectrum of related services and products, committed to service excellence and renowned for our integrity and ability to deliver

We provide customs brokerage services to our clients and we work with country – specific customs personnel at our international offices to manage customs issues at both ends of the customer supply chain.
